Pride in what we do.. Proud to serve..

Declaration

The undersigned requests EWA to enroll (_____) as an approved solar PV contractor within the pertinent EWA's list for the same, and we hereby solemnly commit to comply with the following requirements:

1. To fully apply the pertinent standards and regulations in force and as set by EWA, which include the following documentations:
 - EWA's Standards for Distributed Renewable Resources Generators Connected to the Distribution Network.
 - EWA's Connection Guidelines for Distributed Renewable Resources Generators Connected to the Distribution Network.
 - Fire Safety Recommendations for Distributed Solar PV Systems.
 - Impact on Aviation of Renewable Resources Generators.
 - Design recommendations for Solar PV Systems.
 - EWA Inspection and Testing Guidelines for Distributed Renewable Resources Connected to the Distribution Network.
 - Connection Agreement for generators of electricity from solar energy.
 - Executive Council resolution no. (2) of 2017 with its enclosed Connection Conditions.
2. The Company shall be totally responsible for compliance to all applicable standards and regulations. The Company shall indemnify EWA from and against any damage or loss that may arise from its acts or omission, violation or negligence of the standards and safety requirements.
3. The Company shall engage individuals who are certified by EWA as Solar PV Experts in any activity related to grid-connected solar PV systems, either as sole or main employee(s).
4. In the event the Company falls short of the requirements stipulated by EWA for the enrollment as an solar PV contractor, the Company shall notify EWA within 5 working days, and suspend any activity related to PV systems until restoration of the requirements. Should the requirement be restored, the Company shall then submit proof to EWA within 5 working days.
5. The Company acknowledges that EWA has the prerogative to revoke the enrollment at any time for noncompliance with the applicable terms and conditions.

Level A - Unrestricted Solar PV capacity, LV & MV connections

Level B - Solar PV capacity \leq 1000 kW, LV connections

Level C - Solar PV capacity \leq 100 kW, LV connections

Level D - Solar PV capacity \leq 20 kW, LV connections

Approval's validity period is based on that for the certificates
